How to Manage and Pay Your New VISA Credit Card

Dear <<First Name>>,

Reminder: On Monday, October 19th, your new contactless Visa Credit Card from Health Advantage Credit Union will be ready to use.

As you begin using your new Health Advantage Visa credit card, please review these important reminders to help make the transition a smooth one.

Payments Must Be Updated

Any payment arrangements previously made for your "old" Visa credit card will NOT be applied to your new Visa. Please remember to take a moment to update your payment arrangements and saved card information to help keep your payments on track to avoid potential late fees, additional interest charges, and a negative impact on your credit score.

Subscriptions & Recurring Payments

Because your new visa has a different card number, you must update any subscription services, recuring payments, or online accounts where your card information is stored. Here are some common examples:

Subscription Services:
- Amazon
- Netflix, Hulu, Disney+
- Gym Memberships, etc.

Recurring Payments:
- Cell Phone/Utilities
- Internet/Cable TV
- Auto & Life Insurance

Online Shopping:
- Amazon.com
- Walmart.com
- Apple.com
