Dear <<First Name>>,

We are excited to let you know that your Health Advantage Credit Union **Visa teen debit card** is getting an upgrade!

In September, we'll mail you a **new contactless Visa teen debit card** with tap-to-pay technology. We're committed to keeping you informed throughout the upcoming card transition. There's nothing you need to do at this time. Watch for your new Visa teen debit card and additional details in the coming weeks.

Important dates to keep in mind as we upgrade:

- **September 19th – October 2nd:** Your new Visa teen debit card will arrive in the mail.
 - Activate your new Visa teen debit card and begin using it immediately.
 - Destroy your old debit card and safely dispose of it.
- **October 17th -18th (Conversion Weekend):** We will be transitioning to a new Visa card processing platform. During the conversion weekend, your Visa teen debit card may experience temporary transaction limitations.
