Health Advantage Credit Union Collects Donations for The Mustard Seed Shelter

[Saginaw, MI - November 27, 2019] Health Advantage Credit Union will be collecting items for the Mustard Seed Shelter from December 2nd through December 20th.

The Mustard Seed Shelter has been serving homeless women and families for more than 24 years. Their mission is to water the seed of inner strength in homeless women so they can make a better life for themselves and their children. Women and their families are welcomed into a warm, home environment from living on the streets. The items collected will help benefit the shelter by providing necessary items for daily upkeep. Items for donation will include food and household items.

"Our shelter community of staff, volunteers and other guests model compassion, respect, dignity, forgiveness and mercy to these often "broken" individuals. Through the support of our communities, we will grow and continue to serve with LOVE! Thank You for choosing us for your donations. We are truly blessed and grateful!" Amy Bartels-Roe, the Mustard Seed Executive Director.

Health Advantage Credit Union will be collecting items and any monetary donations at both their locations; 4550 State Street and 1430 North Michigan Avenue. For a complete list of accepted and non-acceptable donation items, visit healthadvantagecu.com
