Health Advantage Credit Union Honors Dispatchers During Telecommunicators Week

[Saginaw, MI - April 20, 2020] Every year during the second week of April, the telecommunications personnel in the public safety community, are honored. This week-long event is a time to celebrate and thank those who dedicate their lives to serving the public. It is a week that should be set aside so everyone can be made aware of their hard work and dedication.

Health Advantage Credit Union celebrated National Public Safety Telecommunicators Week recognized the honorable work the dispatchers of Mobile Medical Response, MidMichigan Medical Center and McLaren EMS continue to do each day by delivering them treats and other goodies.

Thank you, again, to all telecommunications personnel for all the sacrifices you make to create a better and safer world for the public. Your commitment to your profession is appreciated by all of HACU, the public safety communications community, and the citizens you serve.

About: Health Advantage Credit Union has been taking care of the healthcare community and their families since 1970. The credit union offers financial services to employees, independent contractors, or self-employed persons who regularly work in the healthcare industry in the State of Michigan. Today the credit union is 12,000 members strong with two branch locations. For more information about Health Advantage Credit Union, visit www.healthadvantagecu.com.
